17 The undersigned parties stipulate as follows:

18 1. Ms. Jones did not have a condition of pretrial release that restricted her  
19 computer usage. A copy of Ms. Jones' bond modifications are attached  
20 hereto as Exhibit A;

21 2. The parties hereby stipulate and propose to the Court that there is no  
22 objection to Ms. Jones using email, ICQ, instant messaging, (or similar  
23 communications,) or providing feedback to customers on E-Bay, as this is  
24 defendant's line of work. The reason these forms of communication are not  
25 objectionable is that these forms of computerized communication involve  
26 one-on-one cyber contact, not large-scale groups;

27 3. The parties instead submit the following proposed language in the Judgment  
28 and Commitment Order:

1 As a special condition of probation, the defendant will not post any  
2 messages or communicate in any way on "message boards," or "chat  
3 rooms," whereby a single communication typed by the defendant  
4 could reach large groups of individuals simultaneously, without prior  
5 approval of the Probation Officer.

6  
7 IT IS SO STIPULATED.
